OUR PLACE, OUR HOME

The culminating moments of the 2016 Melbourne Festival will be a celebration of diversity—a fitting bookend to our opening ceremony from the land's First Peoples, with a multicultural exchange through coffee, tea and music.

With Multicultural Arts Victoria, artists from diverse backgrounds will showcase beverages unique to their culture: from Turkish *elma çayı* (apple tea) to Ethiopian *buna* (coffee) to Indian *chaay* (chai). Local artists will perform acoustic sets while Chiharu Shiota's wondrous *The Home Within* (p72) looks on.

Full lineup to announced.
